

Connect Marquette was created by the Lake Superior Community Partnership in 2010 (formerly 40 Below) as a non-profit professional development organization designed to introduce and engage individuals to the county's business community and help them expand their networking opportunities. Today our mission is still rooted in fostering the growth of talent, connections, community, and leadership opportunities in Marquette County. With the vision to be an instrumental part of the long-term success of individuals in the county through collaboration, inclusiveness, innovation, and the U.P. work ethic.

Connect Marquette curates events for our members and public throughout the year such as networking socials, quarterly professional development series, book club, flagship events and more! Our first flagship event of the year, the Iron Range Roll, is a family-friendly 16 mile bike race from Ishpeming to Marquette, with a goal of raising funds for the YMCA youth programs. Help us celebrate 10 years of the race in 2023! Our second flagship event, the Connect Conference, is a professional development conference providing attendees breakout sessions, panel discussions, networking opportunities and engaging keynote speakers! We are looking for influential local businesses to sponsor our flagship events. Each sponsorship level includes tiered offerings for the Iron Range Roll, Connect Conference, and includes a Connect Marquette Bronze Employer Membership for four of your employees. .
